

Chewonki

Traveling Natural History Program

Presents

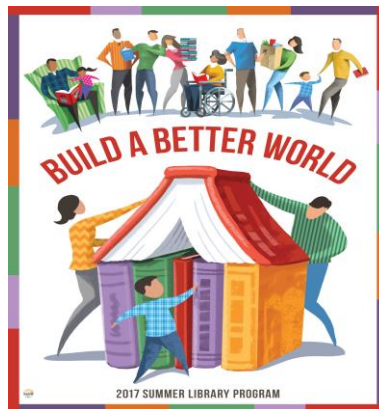

“Biomimicry”

Tuesday, July 18th

10am-11am

At the Center for All Seasons

Join our children’s show as we explore the ways engineers have taken advantage of nature’s bright ideas to show how plants and animals have evolved through generations of successes and failures resulting in remarkable adaptations to find creative solutions and overcome challenges. Live animals will be part of the presentation.

**Sponsored by the Maggie Schneider Fund
and the Belgrade Public Library**
