The North Pond Hermit (Christopher Knight) managed to survive off the grid in central Maine for 27 years undetected until he was discovered stealing provisions from local camps. Join us as Maine Game Warden Terry Hughes and District Attorney Meaghan Maloney discuss the search into his past and the legal ramifications of his actions through the Maine criminal justice system as well as the impact on the communities surrounding his campsite.

Light refreshments will be served. For more information, call (207) 495-3508.
